

2010-2011 School Supply List

SENSE believes in community school supplies. If you are able to purchase items from this list, they will be used by your student's classroom. Students at SENSE do not have items that belong to the individual child; all supplies are shared in the classroom. Please do not write your child's name on the supplies.

If you have any questions about the list for your child's grade level, please contact Jamie Fahrner – SENSE Outreach Coordinator – at 423-0204 ext. 116 or jfahrner@senseindy.org. Thank you for providing our SENSE students with materials to help them learn!
